

# **Frisco Community Water Academy**

Anticipated: June 2025

# Why Join Us?

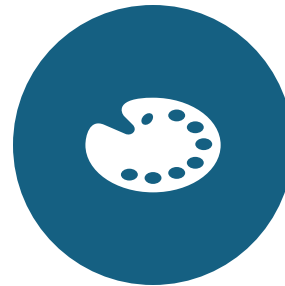

Learn how and why water utility decisions are made from those involved

Create space for honest, respectful conversations between HOAs, property managers, city leadership, and water utilities.

Bring diverse perspectives together to create solutions for common challenges

Set the standard for sustainable, aesthetic-driven landscape design

# Essential Questions

What happens behind the scenes to deliver safe water to us?

How can we develop beautiful, water-efficient landscaping?

How are decisions made about how we use our water?

What are common misconceptions that exist about water use?

# Participants: City of Frisco

## HOA Board Members

1 current Board Member per HOA

## Property Managers

1 Property Manager per company  
Company currently manages at least 1  
property in City of Frisco

## Licensed Lawn & Landscape Professionals

1 licensed professional per company  
Hired by City of Frisco HOA and/or Property  
Management Companies

# Participant Commitment

## **Same participant attends two, 2-hour sessions (in person)**

Weekend or weekday – TBD  
Estimated time: 10 AM to 1 PM  
Lunch will be provided

## **Provide us with feedback**

Before & after surveys  
(approximately 10 minutes each)  
Areas of reinforcement & refinement

# What You'll Gain

A clearer understanding of how water utilities operate

Represent your community's needs directly

Opportunity to help identify and develop real, workable solutions

Build stronger relationships with community leaders and city partners

Practical takeaways to use in your community

# More Information?
