

## **HOA Connect Vendor Partners,**

As we approach the one-year anniversary of our rebranding to **HOA Connect North Texas**, we want to thank you for your incredible support. The outpouring of enthusiasm from both the business and homeowner communities has made this a truly record-breaking year.

We've learned so much from listening to everyone who attended our workshops. One key takeaway from our workshops was clear: **How do we drive more HOA Board Members to attend?** We couldn't agree more with this priority.

**That's why, starting September 1, 2025, we're making a major change:**

**HOAs will no longer be charged to join HOA Connect North Texas.**

Our goal is to make it as easy as possible for HOA Boards to benefit from our workshops—and to connect them directly with your businesses.

Looking ahead to 2026, we're excited to launch a **three-tier Vendor partner Membership Program**. This structure is designed to give more partners the opportunity to participate in our monthly workshops in ways that best suit their goals. Every Vendor Partner we've spoken with agrees—this is absolutely the right direction.

### **Program Goals**

- Increase Vendor Partner visibility to HOA Board Members
- Expand participation in monthly workshops
- Foster stronger vendor to HOAs relationships
- Make sponsorships more customizable and impactful

**HOA Connect North Texas continues to be a powerful connector:**

- HOAs to local Vendor Partners
- Vendor Partners to each other
- HOAs to other HOAs across Collin County

**Thank you for the opportunity to connect,**
