

## Networking, Connecting & Educating HOAs

### Business Partner Overview

#### Our Commitment to Business Partners

**Business Partners play a critical role in strengthening our communities.**

**HOA Connect** is committed to creating meaningful engagement opportunities that help businesses build visibility, trust, and long-term relationships with **HOA Board Members** across our region.

#### Your Partnership Matters to Us

Your expertise helps communities operate more effectively. Through our workshops, networking forums, and educational sessions, **Business Partners** gain direct exposure to the boards who rely on trusted service providers to manage their neighborhoods.

### *Succeeding Together by Helping Each Other*

#### Business Partner Benefits

**HOA Connect acts as the bridge - connecting HOAs to local professionals, vendors to each other, and communities to shared solutions.**

**HOA Connect** is focused on building a partner ecosystem where vendors can succeed through consistent engagement, meaningful interactions, and increased visibility. Whether you're looking to introduce your business to new HOAs or deepen existing relationships, our partner program is designed to help you connect with the right audiences at the right

## Business Partner Program

**HOA Connect** offers a tiered Business Partner Program designed to give businesses a flexible, customizable way to participate in our monthly workshops and community events.

Each tier provides varying levels of visibility and interaction, allowing partners to choose the option that best supports their goals. This structure follows the successful model used for the last 10 years, giving vendors a clear path to increase exposure and build stronger relationships with HOA decision-makers.

### Expand Vendor visibility with HOA Board Members

- Increase vendor participation in workshops
- Strengthen long-term vendor-to-HOA relationships
- Create more meaningful sponsorship opportunities tailored to partner goals
