

How Texas HOAs can **SAVE MONEY** by **SAVING WATER**

HOA Connect and North Texas Municipal Water District invite you to a free forum series featuring regional experts on North Texas water resources, water-efficient landscaping, and strategies to reduce your HOA's outdoor water use and landscaping costs. Come learn how HOAs can play a vital role in water conservation efforts for the rapidly growing North Texas region.

TOPICS COVERED

Reducing outdoor water use and landscaping costs

Smart irrigation technology, including controllers, flow meters, and high-efficiency nozzles

Creating seasonal irrigation schedules

Replacing seasonal color beds with native and adaptive plants

Assessing and improving soil health

Building successful partnerships with landscape and irrigation contractors

& MUCH MORE!

Participation is FREE but registration is REQUIRED.
