

Networking, Connecting & Educating HOAs

STRONGER COMMUNITIES. A BRIGHTER NORTH TEXAS.

Business Partner Overview

Our Commitment to Business Partners

Business Partners play a critical role in strengthening our communities.

HOA Connect is committed to creating meaningful engagement opportunities that help businesses build visibility, trust, and long-term relationships with **HOA Board Members** across our region.

Your Partnership Matters to Us

Your expertise helps communities operate more effectively. Through our workshops, networking forums, and educational sessions, **Business Partners** gain direct exposure to the boards who rely on trusted service providers to manage their neighborhoods.

Succeeding Together by Helping Each Other

Business Partner Benefits

HOA Connect acts as the bridge – connecting HOAs to local professionals, business partners to each other, and communities to shared solutions.

HOA Connect is focused on building a partner ecosystem where businesses can succeed through consistent engagement, meaningful interactions, and increased visibility. Whether you're looking to introduce your business to new HOAs or deepen existing relationships, our partner program is designed to help you connect with the right audiences at the right time.

Business Partner Levels

Business Partner Program

HOA Connect offers a tiered Business Partner Program designed to give businesses flexible, customizable ways to participate in our monthly workshops and community events. Each tier provides varying levels of visibility and interaction, allowing partners to choose the option that best supports their goals. This structure follows the successful model used in North Texas, giving vendors a clear path to increase exposure and build stronger relationships with HOA decision-makers.
